Year	Year	SCDE	Annually - September	9/22/2017			
Kindergarten Readiness							
% Of Kindergarten Ready Children in County	Kindergarten Children in County	SCDE	Annually - September	12/31/2017			
% Of Kindergarten Ready Children in State	Kindergarten Children in State	SCDE	Annually - September	12/31/2017			
Results by Composite Domain							
Number of Children in the County that are Kindergarten Ready in Academic/Cognitive Level	Kindergarten, Academic, Cognitive	SCDE	Annually - September	12/31/2017			

% of Children in the County that are Kindergarten Ready in Academic/Cognitive Level	Kindergarten, Academic, Cognitive	SCDE	Annually - September	12/31/2017			
Number of Children in the state that are Kindergarten Ready in Academic/Cognitive Level	Kindergarten, Academic, Cognitive	SCDE	Annually - September	12/31/2017			
% of Children in the State that are Kindergarten Ready in Academic/Cognitive Level	Kindergarten, Academic, Cognitive	SCDE	Annually - September	12/31/2017			
Number of Children in the County that are Kindergarten Ready in Language Development	Kindergarten, Language Development	SCDE	Annually - September	12/31/2017			
% of Children in the County that are Kindergarten Ready in Language Development	Kindergarten, Language Development	SCDE	Annually - September	12/31/2017			

Number of Children in the State that are Kindergarten Ready in Language Development	Kindergarten, Language Development	SCDE	Annually - September	12/31/2017			
% of Children in the State that are Kindergarten Ready in Language Development	Kindergarten, Language Development	SCDE	Annually - September	12/31/2017			
Number of Children in the County that are Kindergarten Ready in Physical Development	Kindergarten, Physical Development	SCDE	Annually - September	12/31/2017			
% of Children in the county that are Kindergarten Ready in Physical Development	Kindergarten, Physical Development	SCDE	Annually - September	12/31/2017			
Number of Children in the state that are Kindergarten Ready in Physical Development	Kindergarten, Physical Development	SCDE	Annually - September	12/31/2017			

% of Children in the State that are Kindergarten Ready in Physical Development	Kindergarten, Physical Development	SCDE	Annually - September	12/31/2017			
Social-Emotional and Self-Help Domain							
Number of Children in the County that are Kindergarten Ready in the Self-Help Domain	Kindergarten, Self-Help	SCDE	Annually - September	12/31/2017			
% of Children in the county that are Kindergarten Ready in the Self-Help Domain	Kindergarten, Self-Help	SCDE	Annually - September	12/31/2017			
Number of Children in the County that are Kindergarten Ready in the Social-Emotional Domain	Kindergarten, Social-Emotional	SCDE	Annually - September	12/31/2017			
% of Children in the county that are Kindergarten Ready in the Social-Emotional Domain	Kindergarten, Social-Emotional	SCDE	Annually - September	12/31/2017			

Number of Children in the state that are Kindergarten Ready in the Self-Help Domain	Kindergarten, Self-Help	SCDE	Annually - September	12/31/2017		
% of Children in the State that are Kindergarten Ready in the Self-Help Domain	Kindergarten, Self-Help	SCDE	Annually - September	12/31/2017		
Number of Children in the state that are Kindergarten Ready in the Social-Emotional Domain	Kindergarten Social-Emotional	SCDE	Annually - September	12/31/2017		
% of Children in the State that are Kindergarten Ready in the Social-Emotional Domain	Kindergarten Social-Emotional	SCDE	Annually - September	12/31/2017		
Early Care and Education						
Number of under 5 year olds (ages 0-60 months) living within 100% of the Federal Poverty Level by county	100%, Federal Poverty Level, FPL	Census via RFA	Annually - September	9/22/2017		Average of data from 2011-2015

Number of under 5 year olds (ages 0-60 months) living within 100% of the Federal Poverty Level in the state	100%, Federal Poverty Level, FPL	Census via RFA	Annually - September	9/22/2017			Average of data from 2011-2015
Percent of under 5 year olds (ages 0-60 months) living within 100% of the Federal Poverty Level by county	100%, Federal Poverty Level, FPL	Census via RFA	Annually - September	9/22/2017	Estimated number under age 5 for whom poverty was determined	This percentage represents children 5 years old or under living within 100% of the federal poverty level, out of the total population of under 5 year olds in the county	Average of data from 2011-2015
Percent of under 5 year olds (ages 0-60 months) living within 100% of the Federal Poverty Level in the state	100%, Federal Poverty Level, FPL	Census via RFA	Annually - September	9/22/2017	Estimated number under age 5 for whom poverty was determined	This percentage represents children 5 yeats old or under living within 100% of the federal poverty level, out of the total population of under 5 year olds in the state	Average of data from 2011-2015

Number of children attending Early Head Start Program in the county	Early Head Start	Early Head Start	Annually - September	9/22/2017			As of 12/01/2016
Number of children attending Early Head Start Program in the state	Early Head Start	Early Head Start	Annually - September	9/22/2017			As of 12/01/2016
Number of 5 year olds living within 100% of the Federal Poverty Level in the county	100%, Federal Poverty Level, FPL, 3 Year Olds	Census via RFA	Annually - September	9/22/2017			Average of data from 2011-2015
Number of 5 year olds living within 100% of the Federal Poverty Level in the state	100%, Federal Poverty Level, FPL, 3 Year Olds	Census via RFA	Annually - September	9/22/2017			Average of data from 2011-2015
Percent of 5 year olds living within 100% of the Federal Poverty Level in the county	100%, Federal Poverty Level, FPL, 3 Year Olds	Census via RFA	Annually - September	9/22/2017	Estimated number age 5 for whom poverty was determined	This percentage represents children 5 years old living within 100% of the federal poverty level, out of the total population of 5 year olds in the county	Average of data from 2011-2015

Percent of 5 year olds living within 100% of the Federal Poverty Level in the state	100%, Federal Poverty Level, FPL, 3 Year Olds	Census via RFA	Annually - September	9/22/2017	Estimated number age 5 for whom poverty was determined	This percentage represents children 5 years old living within 100% of the federal poverty level, out of the total population of 5 year olds in the state	Average of data from 2011-2015
Number of 3 year olds enrolled in Head Start in the county	3 Year Olds, Head Start	Head Start	Annually - September	9/22/2017			As of 12/01/2016
Number of 3 year olds enrolled in Head Start in the state	3 Year Olds, Head Start	Head Start	Annually - September	9/22/2017			As of 12/01/2016
Number of 3 year olds attending publically funded full day prekindergarten within school districts in the county (NOT HEAD START)	3 Year Olds, Full Day Prekindergarten	SCDE-Powerschool	Annually - September	9/22/2017			School Year 2015-16

Number of 3 year olds attending publically funded full day prekindergarten within school districts in the state (NOT HEAD START)	3 Year Olds, Full Day Prekindergarten	SCDE-Powerschool	Annually - September	9/22/2017			School Year 2015-16
Number of 3 year olds attending publically funded half-day or part time prekindergarten within school districts in the county (NOT HEAD START)	3 Year Olds, Half Day Prekindergarten	SCDE-Powerschool	Annually - September	9/22/2017			School Year 2015-16
Number of 3 year olds attending publically funded half-day or part time prekindergarten within school districts in the state (NOT HEAD START)	3 year olds, half-day, prekindergarten	SCDE-Powerschool	Annually - September	9/22/2017			School Year 2015-16

Number of 4 year old children that live at or below 200% of the Federal Poverty Level by county	4 year old, 200%, FPL	Census via RFA	Annually - September	9/22/2017			Average of data from 2011-2015
Number of 4 year old children that live at or below 200% of the Federal Poverty Level in the state	4 year old, 200%, FPL	Census via RFA	Annually - September	9/22/2017			Average of data from 2011-2015
Number of 4 year olds attending publically funded full day prekindergarten within school districts in the county	4 year olds, Publically funded, school districts	SCDE-Powerschool	Annually - September	9/22/2017			School Year 2015-16
Number of 4 year olds attending publically funded full day prekindergarten within school districts in the state	4 year olds, Publically funded, school districts	SCDE-Powerschool	Annually - September	9/22/2017			School Year 2015-16

Number of 4 year olds attending publically funded half day prekindergarten within school districts in the county	4 year olds, Publically funded, school districts	SCDE-Powerschool	Annually - September	9/22/2017			School Year 2015-16
Number of 4 year olds attending publically funded half day prekindergarten within school districts in the state	4 year olds, Publically funded, school districts	SCDE-Powerschool	Annually - September	9/22/2017			School Year 2015-16
Number of 4 year olds living within 100% of the Federal Poverty Level by county	4 year olds, 100% FPL	Census via RFA	Annually - September	9/22/2017			As of 12/01/2016
Number of 4 year olds living within 100% of the Federal Poverty Level by state	4 year olds, 100%, State	Census via RFA	Annually - September	9/22/2017			As of 12/01/2016
Number of 4 year olds enrolled in Head Start in the county	4 year olds, Head Start	DSS-HeadStart	Annually - September	9/22/2017			As of 12/01/2016

Number of 4 year olds enrolled in Head Start in the state	4 year olds, Head Start	DSS-HeadStart	Annually - September	9/22/2017			As of 12/01/2016
Number of 5 year olds living within 200% of the Federal Poverty Level by county	5 year olds, Federal poverty level, county	Census via RFA	Annually - September	9/22/2017			As of 12/01/2016
Number of 5 year olds living within 200% of the Federal Poverty Level by state	5 year olds, Federal poverty level, state	Census via RFA	Annually - September	9/22/2017			As of 12/01/2016
Children Assessing Early Intervention Services							
Number of children between the ages of 0-36 months with disabilities in the county (An individual Family Service Plan is received)	Individual Family Service Plan	SCDHHS - BabyNet	Annually - September	9/22/2017			Calendar Year 2016
Number of children between the ages of 0-36 months with disabilities in the state (An individual Family Service Plan is received)	Individual Family Service Plan	SCDHHS - BabyNet	Annually - September	9/22/2017			Calendar Year 2016

Number of 3 year old children with disabilities receiving services in the county (An individual Family Service Plan is received)	Individual Family Service Plan	SCDHHS - BabyNet	Annually - September	11/30/2017			
Number of 3 year old children with disabilities in the state that are receiving services (An individual Family Service Plan is received)	Individual Family Service Plan	SCDHHS - BabyNet	Annually - September	11/30/2017			
Number of 4 year olds with disabilities receiving special education services by county (An individualized Education Plan is received)	Individualized Education Plan	SCDE-Office of Spec Ed	Annually - September	9/22/2017			CY 2016

Number of 4 year olds with disabilities receiving special education services by state (An Individualized Education Plan is received)	Individualized Education Plan	SCDE-Office of Spec Ed	Annually - September	9/22/2017			CY 2016
Number of 5 year olds with disabilities receiving special education services by county (An Individualized Education Plan is received)	Individualized Education Plan	SCDE-Office of Spec Ed	Annually - September	9/22/2017			CY 2016
Number of 5 year olds with disabilities receiving special education services by state (An Individualized Education Plan is received)	Individualized Education Plan	SCDE-Office of Spec Ed	Annually - September	9/22/2017			CY 2016
Number of kindergarten enrollment in the county	Kindergarten Enrollment	SCDE - Powerschool	Annually - September	9/22/2017			SY2017-2018

Number of kindergarten enrollment in the state	Kindergarten Enrollment	SCDE - Powerschool	Annually - September	9/22/2017			SY2017-2018
Children Receiving Child Care Assistance							
Number of SC Vouchers in Licensed/Approved Centers by county	SC Vouchers	DSS-Div of ECE/RFA	Annually - September	9/22/2017			CY 2016
Number of SC Vouchers in Licensed/Approved Centers	SC Vouchers	DSS-Div of ECE/RFA	Annually - September	9/22/2017			CY 2016
Number of SC Vouchers in Licensed/Registered homes by county	SC Vouchers	DSS-Div of ECE/RFA	Annually - September	9/22/2017			CY 2016
Number of SC Vouchers in Licensed/Registered Centers	SC Vouchers	DSS-Div of ECE/RFA	Annually - September	9/22/2017			CY 2016
Number of SC Vouchers in Legally Exempt Programs by county	SC Vouchers	DSS-Div of ECE/RFA	Annually - September	9/22/2017			CY 2016
Number of SC Vouchers in Legally Exempt Programs	SC Vouchers	DSS-Div of ECE/RFA	Annually - September	9/22/2017			CY 2016
Third Grade Assessment Results							

Percentage of Children at the Third Grade Level proficient in Math by County	Third Grade	SCDE-Testing	Annually - September	9/22/2017	Number of Students Tested in Math for Grade 3	This percentage represents children proficient in math out of the total number of children tested for proficiency in math in the county	First Day of School - 9/2/16
Percentage of Children at the Third Grade Level proficient in Math within the State	Third Grade	SCDE-Testing	Annually - September	9/22/2017	Number of Students Tested in Math for Grade 3	This percentage represents children proficient in math out of the total number of children tested for proficiency in math in the state	First Day of School - 9/2/16
Percentage of Children at the Third Grade Level proficient in Reading by County	Third Grade	SCDE-Testing	Annually - September	9/22/2017	Number of Students Tested in ELA for Grade 3	This percentage represents children proficient in English/Language Arts out of the total number of children tested for proficiency in English/Language Arts in the county	First Day of School - 9/2/16

Percentage of Children at the Third Grade Level proficient in Reading in the State	Third Grade	SCDE-Testing	Annually - September	9/22/2017	Number of Students Tested in ELA for Grade 3	This percentage represents children proficient in English/Language Arts out of the total number of children tested for proficiency in English/Language Arts in the state	First Day of School - 9/2/16
Family, Health and Services - Number of Children							
Number of Children age 0-1 years old in the County	Children age 0-1	Census via RFA	Annually - September	9/22/2017			Estimate as of Jul 1, 2016
Percentage of Children age 0-1 years old in the County	Children age 0-1	Census via RFA	Annually - September	9/22/2017	Estimated Number of Children 0 to 17	This percentage represents children between the age of 0-1 years old out of the total population of 0-17 year olds in the county	Estimate as of Jul 1, 2016

Percentage of Children age 0-1 years old in the State	Children age 0-1	Census via RFA	Annually - September	9/22/2017	Estimated Number of Children 0 to 17	This percentage represents children between the age of 0-1 years old out of the total population of 0-17 year olds in the state	Estimate as of Jul 1, 2016
Number of Children ages 2-4 years old in the County	Children age 2-4	Census via RFA	Annually - September	9/22/2017			Estimate as of Jul 1, 2016
Percentage of Children ages 2-4 years old in the County	Children age 2-4	Census via RFA	Annually - September	9/22/2017	Estimated Number of Children 0 to 17	This percentage represents children between the age of 2-4 years old out of the total population of 0-17 year olds in the county	Estimate as of Jul 1, 2016
Percentage of Children ages 2-4 years old in the State	Children age 2-4	Census via RFA	Annually - September	9/22/2017	Estimated Number of Children 0 to 17	This percentage represents children between the age of 2-4 years old out of the total population of 0-17 year olds in the state	Estimate as of Jul 1, 2016

Number of Children ages 5-8 years old in the County	Children age 5-8	Census via RFA	Annually - September	9/22/2017			Estimate as of Jul 1, 2016
Percentage of Children ages 5-8 years old in the County	Children age 5-8	Census via RFA	Annually - September	9/22/2017	Estimated Number of Children 0 to 17	This percentage represents children between the age of 5-8 years old out of the total population of 0-17 year olds in the county	Estimate as of Jul 1, 2016
Percentage of Children ages 5-8 years old in the State	Children age 5-8	Census via RFA	Annually - September	9/22/2017	Estimated Number of Children 0 to 17	This percentage represents children between the age of 5-8 years old out of the total population of 0-17 year olds in the state	Estimate as of Jul 1, 2016
Children Living Below Federal Poverty Level (FPL)							
Number of Children Living Below 100% of the Federal Poverty Level in the County	Federal Poverty Level	Census via RFA	Annually - September	9/22/2017			Average of time period 2011-2015

Percentage of Children Living below 100% of the Federal Poverty Level in the county	Federal Poverty Level	Census via RFA	Annually - September	9/22/2017	Estimated number of children under age 18 for whom poverty is determined	This percentage represents children living below 100% of the federal poverty level, out of the total population of 0-18 year olds in the county	Average of time period 2011-2015
Percentage of Children Living below 100% of the Federal Poverty Level in the state	Federal Poverty Level	Census via RFA	Annually - September	9/22/2017	Estimated number of children under age 18 for whom poverty is determined	This percentage represents children living below 100% of the federal poverty level, out of the total population of 0-18 year olds in the state	Average of time period 2011-2015
Number of children living below 150% of the Federal Poverty Level in the county	Federal Poverty Level	Census via RFA	Annually - September	9/22/2017			Average of time period 2011-2015

Percentage of children living below 150% of the Federal Poverty Level in the county	Federal Poverty Level	Census via RFA	Annually - September	9/22/2017	Estimated number of children under age 18 for whom poverty is determined	This percentage represents children living below 150% of the federal poverty level, out of the total population of 0-18 year olds in the county	Average of time period 2011-2015
Percentage of children living below 150% of the Federal poverty level in the state	Federal Poverty Level	Census via RFA	Annually - September	9/22/2017	Estimated number of children under age 18 for whom poverty is determined	This percentage represents children living below 150% of the federal poverty level, out of the total population of 0-18 year olds in the state	Average of time period 2011-2015
Number of children living below 200% of the Federal poverty level in the county	Federal Poverty Level	Census via RFA	Annually - September	9/22/2017			Average of time period 2011-2015

Percentage of children living below 200% of the Federal poverty level in the county	Federal Poverty Level	Census via RFA	Annually - September	9/22/2017	Estimated number of children under age 18 for whom poverty is determined	This percentage represents children living below 200% of the federal poverty level, out of the total population of 0-18 year olds in the county	Average of time period 2011-2015
Percentage of children living below 200% of the Federal poverty level in the state	Federal Poverty Level	Census via RFA	Annually - September	9/22/2017	Estimated number of children under age 18 for whom poverty is determined	This percentage represents children living below 200% of the federal poverty level, out of the total population of 0-18 year olds in the state	Average of time period 2011-2015
Number of children in foster care in the county	Foster Care	SCDSS	Annually - September	9/22/2017			CY 2016
Percentage of children in foster care in the county	Foster Care	SCDSS	Annually - September	9/22/2017	Census Data Estimated Number of Children Ages 0 to 8 - 2016	This percentage represents children living in foster care out of the total population of 0-8 year olds in the county	CY 2016

Percentage of children in foster care in the state	Foster Care	SCDSS	Annually - September	9/22/2017	Census Data Estimated Number of Children Ages 0 to 8 - 2016	This percentage represents children living in foster care out of the total population of 0-8 year olds in the state	CY 2016
Children Maltreatment							
Number of children with investigation for maltreatment in the county	Maltreatment	SCDSS-Child welfare	Annually - September	9/22/2017			CY 2016
Percentage of children with investigation for maltreatment in the county	Maltreatment	SCDSS-Child welfare	Annually - September	9/22/2017	Census Data Estimated Number of Children Ages 0 to 8 - 2016	This percentage represents children between the ages of 0-8 who have had investigation for maltreatment out of the total population of 0-8 year olds in the county	CY 2016

Percentage of children with investigation for maltreatment in the state	Maltreatment	SCDSS-Child welfare	Annually - September	9/22/2017	Census Data Estimated Number of Children Ages 0 to 8 - 2016	This percentage represents children between the ages of 0-8 who have had investigation for maltreatment out of the total population of 0-8 year olds in the state	CY 2016
Number of children with founded (substantiated) maltreatment in the county	Maltreatment	SCDSS-Child welfare	Annually - September	9/22/2017			CY 2016
Percentage of children with founded (substantiated) maltreatment in the county	Maltreatment	SCDSS-Child welfare	Annually - September	9/22/2017	Census Data Estimated Number of Children Ages 0 to 8 - 2016	This percentage represents children between the ages of 0-8 who have had substantiated maltreatment out of the total population of 0-8 year olds in the county	CY 2016

Percentage of children with founded (substantiated) maltreatment in the state	Maltreatment	SCDSS-Child welfare	Annually - September	9/22/2017	Census Data Estimated Number of Children Ages 0 to 8 - 2016	This percentage represents children between the ages of 0-8 who have had substantiated maltreatment out of the total population of 0-8 year olds in the state	CY 2016
Children Receiving Mental Health Services							
Number of children receiving mental health services in the county	Mental Health	SCDMH	Annually - September	9/22/2017			SFY 2016: 07/01/15 - 06/30/16
Percentage of children receiving mental health services in the county	Mental Health	SCDMH	Annually - September	9/22/2017	Census Data Estimated Number of Children Ages 0 to 8 - 2016	This percentage represents children between the ages of 0-8 who are receiving mental health services out of the total population of 0-8 year olds in the county	SFY 2016: 07/01/15 - 06/30/16

Percentage of children receiving mental health services in the state	Mental Health	SCDMH	Annually - September	9/22/2017	Census Data Estimated Number of Children Ages 0 to 8 - 2016	This percentage represents children between the ages of 0-8 who are receiving mental health services out of the total population of 0-8 year olds in the state	SFY 2016: 07/01/15 - 06/30/16
Family Structure							
Homelessness	Homelessness	SCDE-Powerschool	Annually - September	9/22/2017			Last Day of School Year 2015-2016
Number of children being raised by a single male parent in the county	Single Male Parent	Census via RFA	Annually - September	9/22/2017			Average of time period 2011-2015
Percentage of children being raised by a single male parent in the county	Single Male Parent	Census via RFA	Annually - September	9/22/2017	Estimated number of own children under age 18 (sons or daughters by birth, marriage, or adoption, and have never been married)	This percentage represents children under the age of 18 years old who are being raised by a single male parent out of the total population of under 18 year olds in the county	Average of time period 2011-2015

Percentage of children being raised by a single male parent in the state	Single Male Parent	Census via RFA	Annually - September	9/22/2017	Estimated number of own children under age 18 (sons or daughters by birth, marriage, or adoption, and have never been married)	This percentage represents children under the age of 18 years old who are being raised by a single male parent out of the total population of under 18 year olds in the state	Average of time period 2011-2015
Number of children being raised by a single female parent in the county	Single Female Parent	Census via RFA	Annually - September	9/22/2017			Average of time period 2011-2015
Percentage of children being raised by a single female parent in the county	Single Female Parent	Census via RFA	Annually - September	9/22/2017	Estimated number of own children under age 18 (sons or daughters by birth, marriage, or adoption, and have never been married)	This percentage represents children under the age of 18 years old who are being raised by a single female parent out of the total population of under 18 year olds in the county	Average of time period 2011-2015

Percentage of children being raised by a single female parent in the state	Single Female Parent	Census via RFA	Annually - September	9/22/2017	Estimated number of own children under age 18 (sons or daughters by birth, marriage, or adoption, and have never been married)	This percentage represents children under the age of 18 years old who are being raised by a single female parent out of the total population of under 18 year olds in the state	Average of time period 2011-2015
Number of children being raised by other family members in the county	Other Family	Census via RFA	Annually - September	9/22/2017			Average of time period 2011-2015
Percentage of children being raised by other family members within the county	Other Family	Census via RFA	Annually - September	9/22/2017	Estimated population under age 18 in households (excluding householders, spouses, and unmarried partners)	This percentage represents children under the age of 18 years old who are being raised by other famly members out of the total population of under 18 year olds in the county	Average of time period 2011-2015

Percentage of children being raised by other family members in the state	Other Family	Census via RFA	Annually - September	9/22/2017	Estimated population under age 18 in households (excluding householders, spouses, and unmarried partners)	This percentage represents children under the age of 18 years old who are being raised by other famly members out of the total population of under 18 year olds in the state	Average of time period 2011-2015
Number of children being raised by grandparents in the county	Grandparents	Census via RFA	Annually - September	9/22/2017			Average of time period 2011-2015
Percentage of children being raised by grandparents in the county	Grandparents	Census via RFA	Annually - September	9/22/2017	Estimated population under age 18 in households (excluding householders, spouses, and unmarried partners)	This percentage represents children under the age of 18 years old who are being raised by grandparents out of the total population of under 18 year olds in the county	Average of time period 2011-2015

Percentage of children being raised by grandparents in the state	Grandparents	Census via RFA	Annually - September	9/22/2017	Estimated population under age 18 in households (excluding householders, spouses, and unmarried partners)	This percentage represents children under the age of 18 years old who are being raised by grandparents out of the total population of under 18 year olds in the state	Average of time period 2011-2015
